***Possible equity support and side job income are EUR 3,156 higher than the tuition fees!!**

Complete bachelor tuition fees including German intensive course and preparatory college: 49.360 EUR*
(Payment method: 4 installments)

For graduates of DAS (German schools abroad), DSD schools (schools with a German language diploma) and Fit-schools (Supervision by the Goethe Institute) equity support of up to EUR 12,340 (25%) is possible!

After six months of an intensive German course (B1 degree), you attend a preparatory college for one year. The degree (FSP) entitles you to a bachelor direct degree. After the 6-semester direct bachelor's degree, there is a permanent position in Germany with the opportunity to complete a 6-semester part-time master's degree without waiting.

The monthly tuition fees for the master's program of EUR 445 are deducted from the expected monthly salary of EUR 3,400 for the bachelor's degree.

40.176 EUR income
from a part-time student job with a
monthly salary of 1,116 EUR
possible during direct studies!
